Record Maintenance

- Archive and copy records
- Free records
- Transfer records
- Key bib records
- Use substitution phrases
- Rapid update
- Toggle between functions and modules

Treading water

Problems

- Telnet version usage
- Speed (limit, freezing)
- Last significant call to III –
November 2003

Cruising

Benefits

- Standards set; update cards once a year or as needed
- Easier to train students
- Editing records faster and easier
- Staff use MilSer exclusively

A Bigger better boat

- Cut and paste
- Open multiple screens
- Undo and redo button

Freestyle

- Milly preserves the search in the browse screen

Breaststroke

- Add messages to check-in records to alert staff when checking in an item
- Extended notes in check-in box note field
- WebOPAC users link directly to specific electronic journal issue by clicking the cover date in the check-in card

Backstroke

- Multiple users can run global claim at the same time in both range and review files
- Claimed issues are locked until slip is printed
- Send claims electronically

Butterfly

- Scans to identify issues per pattern
- Retain old transaction date
- Specify spine label and routing label

Diving

- Can view records in use
- Create list – can search for data in check-in card
- Move large groups of item records with one command

Life Jackets
