For ease of use, all columns sort and you can add a new entry by copying an existing one and editing it with the new information.

EGL IUG 2005 – WebOPAC Administration in Millennium

WebOPAC hints

- Copy files for testing or using staging directory.
- Use toplogo and botlogos on all pages in /screens directory (Release 2005)*
- Keep directories clean (*do as I say, not as I do*)
- Keep icons and graphics on the server
